Lori Jones, Principal

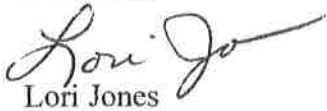

Dear Parents:

December 1, 2017

Hello! Do you have a child who will be five years old before September 1, 2018? If you do, then it is time to start thinking about kindergarten and starting school next year. It is always so exciting and scary to think about your child starting school. Although it seems early, it is important that we obtain an accurate list of all children qualifying for kindergarten in the Canyons School District for the 2018-2019 school year. To prepare for the next school year, we need to know who our new kindergarten students will be. State law requires that all school districts in Utah abide by the same September 1st entrance cut-off date. We will be mailing you information about registration. Additionally, we will have an orientation to go over what the options are for kindergarten, developmental benchmark skills for your young child, and details about how school works. **Please be aware that you will be required to bring the child's immunization record, certified birth certificate, and proof of address to our Kindergarten Orientation in the spring.**

If you know of a neighbor that has a qualifying kindergarten child, please share this information and ask them to call the school. We look forward to meeting all of our incoming kindergarten students and parents. If you have any questions, please call the school at (801) 826-8950.

Sincerely,

Lori Jones
