- Discussion on Teacher Grants from Cell Tower Funds
5th grade needs: An aide isn't the solution but they would appreciate the

teacher grant opportunities for enrichment opportunities for students

Discussed getting an aide for supplemental kinder. We propose getting a part-time aide. Looking at getting some help for the special needs, via the district. Because we do not have enough members present for a vote (some had to leave early) Mrs. Draper will conduct the vote via email.

What about teacher grants? SCC proposes having teachers submit grant requests in November, then have an email vote so grants can be awarded before the end of the year.

*Angela brought up the full day kinder issues

***KIERSTIN IS BUYING POCKET SHADES WITH HER EQUIPMENT MONEY FOR ALL THE CLASSROOM DOORS FOR LOCKDOWNS**

We are looking into getting LRBI manuals for all teachers. This will be a resource they will need to support students behaviorally.

Next SCC Meeting: January 12th, 6 PM Oakdale Library
