## SCC MEETING Minutes

### Business Items

#### I. Meeting Minutes

- a. Approve the meeting minutes from our last meeting on May 5th 2017.

We spent \$23K on technology that was approved to purchase IPAD's from spring 2017.

Anne Hansen made a motion to approve the minutes, Travis seconded the motion, the motion passed unanimously.

#### II. Oakdale SCC Website

- a. Update SCC member information.

The members updated contact info to be SHARED on the school website.

- b. How long should the meeting minutes be on the school's SCC page (3 year minimum).

The idea to have 3 years with the 4th accumulating throughout the year is kept on the website. As the 4th year finishes, we roll out the oldest year. This allows 3 years (minimum) to always be on the website.

#### III. SCC Bylaws

- a. Short review of SCC bylaws in preparation for possible changes during the next meeting.

We need to update the bylaws to reflect the current operating system of voting in spring vs. voting in fall.

We'd also like to get a PTA member or board member to serve on SCC as well.

#### IV. 2017-2018 Schedule

- a. Approve the meeting schedule for the balance of the school year.

October 12th, November 9th, January 18th, February 15th, March 15th, April 12th. No meeting in December and May.

#### V. District Bond

- a. Presentation of information by Principal Jones.

CSD Bond on the November 2017 ballot. Oakdale stands to benefit from the bond (new office and more natural light).

Principal Jones will send us a powerpoint with details on the breakdown of the bond.

- b. Thoughts on the bond by Kurt.

Kurt believes in voting for the bond. Many pros not just as far as Oakdale is concerned. This gets our community inline with the national standards for education. Children and teachers deserve these additions.

- c. Discussion- questions and answers.

CSD homepage answers questions about the timeline on the bond and the financial implications.

#### VI. FTE (Full Time Employee) Allotment

- a. Review the status of Oakdale's FTE allotment.

Oakdale did not get additional FTE. We've used LandTrust money to cover Ms. Yates salary. Then additional money will be used to cover reading interventionist.

## **VII. Behavior Intervention Assistant**

- a.** Discussion regarding Oakdale's new Behavior Intervention Assistant, and how that person will be used.

Robin Spencer-Priebe is our assistant. He is implementing the Check In/Check Out (CICO) with the 10 high flyers at Oakdale. We're having a lot of success with his help so far this year. He is helping at recess and in the lunchroom with the volume of children. He also attended the Playworks training to really help support the things that are happening at Oakdale. We are going to start with the team-up model to really help with conflict resolution.

## **VIII. Preliminary SAGE Data Review**

- a.** Review Oakdale's initial 2017 SAGE test results.

Some of the SAGE data has errors so Principal Jones is going to hold off on sharing the data.

School grading is based off student growth.

We are going to focus on reading comprehension, especially teaching the 4-5th graders to close read.

## **IX. CSIP Modification**

- a.** Since the district has discontinued one of the tests in Oakdale's CSIP we will need to make modifications accordingly.

CSD no longer uses a district assessment and so we need to take that wording out of the CSIP.
