**Business Items**

- Review & Approve September Draft Minutes  
Anne Hansen made a motion to pass the September minutes, Travis Holt seconded the motion, it passed.
  
- Review of Oakdale SCC Bylaws  
Oakdale Bylaws were reviewed. IXa we need to add “will be elected from the parent group” and IXb we need to take out “which is not represented by the Chair” Article III, I change September to May.
  
- Review District Bell Efficiency Schedule  
Really a bus efficiency study. The idea is that we would consolidate routes, make the bus schedules more efficient. Oakdale’s concern is that we would prefer to start 15 minutes earlier rather than later. Also, the impact this would have on working families. Oakdale’s response is that the idea needs to be tabled until more options are considered, specifically switching elementary and high school schedules. Are there going to be town hall meetings discussing this issue? Julie suggests that we start attending the study sessions regularly.
  
- Present CSD’s Vision, Mission, Values, Tenets, & Indicators  
CSD Vision, Mission, Values, Tenets, and Indicators were shared by Kierstin.
  
- Discuss Teacher Grants from Cell Tower Funds  
Kierstin presented the idea of awarding teacher grants again this year. We have about \$22K from cell tower funds that we can use to award teacher grants. It was brought up that a good use of the money would be to get a part time teacher or aide or some kind of help in the 5<sup>th</sup> grade to lower class size during whole group core instruction. *Decided to table the idea of*

*teacher grants until we talk to 5<sup>th</sup> grade about needs and look at funding staffing for 5<sup>th</sup> grade support.*
