For me, happiness is the joy we feel striving after our potential." - Shawn Ancher

CEO AWARDS ASSEMBLY

This week we celebrated our CEO Awards assembly of the year. Our CEO's or Chief Example to Others assembly is a way for us to celebrate students who are chief examples of good leaders, including; listening, following directions, and expectations.

Our next CEO will focus on; I can use self-talk and I can be assertive and ask for things I need. If your students are chosen as chief examples to others, teachers will reach out to you with the date and time of our recognition assembly. Please see our award recipients on page 4.

PARKING LOT REMINDERS

We want to give a big shout-out and say thank you for your patience as we've put new parking lot procedures into place. Please note the following:

- We are encouraging students to meet you for pick up along the fence next to the grass, not in front of the building.
- Please stay in your car as students will come to you. Unless your students are actively getting in or out of your cars, staff members will ask for you to close the gap between cars. This will provide more cars to pull forward to either pick up or drop off students.
- Our safety patrol students and staff are doing an awesome job, please remember we strive to show kindness. Unfortunately, we have had a few unkind gestures and words directed towards students and staff. Our goal has and will always be to support the safety of our students.

Emergency Substitutes

Even in years without COVID, it takes a village to raise the next generation of entrepreneurs, scientists, artists, and leaders. But now, more than ever, Canyons District is relying on members of the community to help all of its 50 schools and programs to continue to operate smoothly.

While the corps of certified substitutes in Canyons is strong, the demand for substitute teachers who can step into the classroom at a moment's notice is growing by the day as CSD starts the 2021-2022 school year in earnest.

Members of the community who want to be a substitute are asked to go to canyonsdistrict.org.

Teacher High-Fives!

Our teachers do such an amazing job supporting our students at Oakdale. If you would like to give a high five, please click on the following link, [Teacher High Fives!](#)

Mrs. Bowman:

"High Five! Thank you to our wonderful School Psychologist who is a great addition to the Oakdale team and is always willing to help students and faculty whenever asked!"

Ms. Wheeler:

"Thank you Ms Wheeler for your clear and frequent communication via email and Instagram! I love to see what the class is working on and appreciate all of your hard work to make this year fun and engaging."

Ms. Cox:

"My daughter loves your class. She is learning so much and is getting better in a lot of areas. Thank you for being so amazing!!"

Ms. Johnson:

"She has made my son love first grade! Everyday he says it is better than the day before."

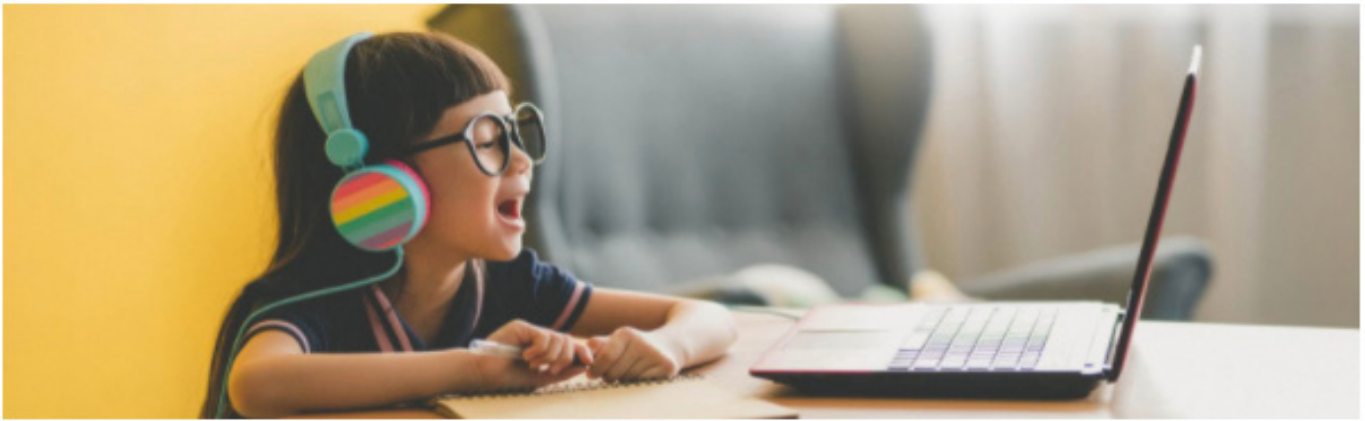

Mrs. Rasmussen:

"Mrs. Rasmussen, you are so thoughtful and kind with my son."

Mr. Jewkes:

"I appreciate your support in helping my daughter with Math. Your kindness and support has helped her to not be as nervous and she is more willing to try and not shut down. Thank you."

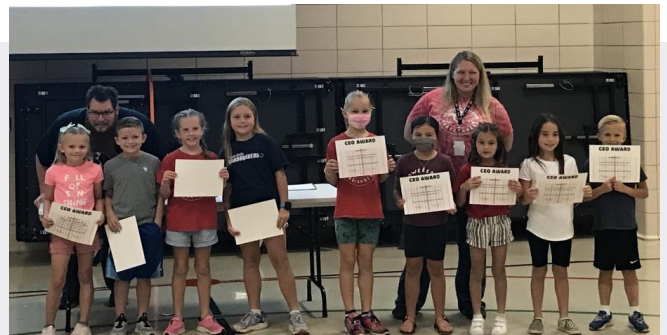

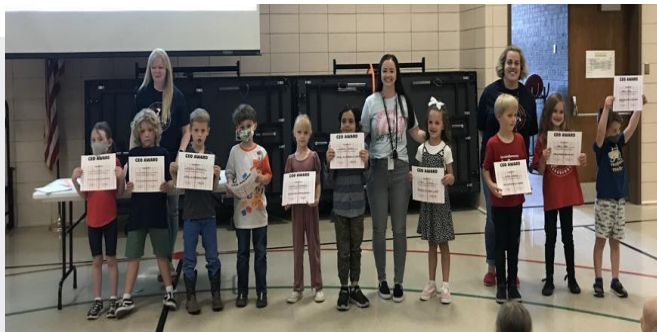

Send us your teacher high-fives.

Canyons Announce: Dates and Times for SALTA Testing

Does your child have a strong sense of curiosity, a need to explore subjects in surprising depth, and ability to quickly learn complex information? If so, your student might be a candidate for Canyons District's SALTA magnet program for advanced learners — and the time for applying to test into the program for the 2022-2023 school year is coming soon.

SALTA — Supporting Advanced Learners Toward Achievement — serves students who demonstrate significantly high cognitive and academic abilities in comparison to peers. Students in kindergarten through the seventh grade can apply online to test into the program starting Tuesday, Sept. 7. The deadline for applying is midnight Friday, Oct. 1. Unfortunately, we are not able to accept late applications.

CEO AWARDS ASSEMBLY

Important Message from Mrs. Lloyd:

Oakdale Counselor Corner

Due to a generous donation I have about 50 meal bags for families that might need a little extra help. I know that with our economy and the hit COVID has had on families emotionally and physically I want to help anyone in need. Please contact me if you need a bag of food or if you know someone who could use one. If you would like to help families in our community we are always taking donations. Some good things to donate are: apple sauce, mac and cheese, tuna, fruit snacks, ramen, granola bars, and individual packs of oatmeal. Also, we use the Gallon Baggies to make the food bags so we would appreciate donations for those as well.

Our Second Step Lesson this week is Helping each other keep our school rules by being safe. This is a great thing to talk about with your students. You can ask them how we can be safe at school and home. If you have questions about any lessons we will be covering this week please contact your teacher or myself.

We are so lucky to have the amazing support from such a wonderful community. Go Roadrunners
