WELCOME BACK TO SCHOOL!

Welcome back, we're so excited for the new school year, and what a great way to start - red carpet style. It was wonderful to see everyone back and welcome to all our new friends. It's going to be a great year.

PRINCIPAL'S NOTE:

We're back...and so excited for this new school year. Thank you, to all our amazing teachers, staff, and the PTA that have put in so much work to make sure we start our school year off right.

This week we're launching our new newsletter, please continue to use it to align your calendars at home and to keep up with all the happenings at Oakdale.

Read through and see our volunteering and Join the PTA notes - we need all of your continued support to ensure this school year is the greatest.

Any questions or issues, my door is always open. You can also contact me at deidre.walbeck@canyonsdistrict.org

SCHOOL HIGHLIGHTS

COUNSELOR CORNER:

Hello Oakdale Families! As we celebrate the completion of the first week of school, I wanted to let you know how impressed I am with how amazing your students are.

A new year brings a lot of new emotions. Something that helps me when I get nervous, or worried is I take a belly breath. Pretend your belly is a balloon. Take a deep breath and make your belly big. Then let all the air out. Repeat a few times to help relax your body. This is a strategy that Second Step will teach, and I use now. This is a great activity to use before bed.

OAKDALE ORCHESTRA

All 4th and 5th grade students are invited to participate in our fabulous Oakdale Orchestra. You will learn to play the violin, viola, or cello. Classes will be held Monday's and Wednesday's after school, 3:20-4:10 PM. The first class will be held Aug 30th.

Tuition is \$180 for the year. Payment options are available when you register, including fee waiver forms for those who qualify. Each student must also purchase their own method book; Strictly Strings Book 1.

You may choose to rent an instrument from the school

district for \$80 for the year. There are a limited number of instruments, and they will go quickly. Your registration will be date and time stamped, so get it in as soon as possible to reserve your instrument.

Our first class will be Monday, August 20th at 3:20 PM. Rental instruments will be distributed at the first class. There are two registration forms, both of which must be completed:

CSD Schools to Continue Serving Free Breakfast and Lunch in 2021-2022

Canyons District schools will be serving free breakfast and lunch this year under an extended waiver from the USDA. All students are automatically eligible for the benefit, which will last through the 2021-2022 school year or until federal funding runs out. Families who think they may qualify for free or reduced-priced lunch, however, are still encouraged to apply so there is no lapse in meal service if the waiver expires. For more information, please use the following link:

VOLUNTEERING IN THE SCHOOL

We appreciate all those who volunteer in our Oakdale school community. All supervised volunteers, (whether with the PTA or not) in all Canyons District Schools need to complete and submit a new Volunteer Application annually. Once approved by the District, you will login using the laptop in the front office to get your volunteer sticker. This sticker identifies you as an approved volunteer for Oakdale. Click here to sign up and/or renew your application:

Teachers and grade level teams will reach out to you with any volunteer opportunities.
